Anne Robinson celebrates another goal for The Dark Destroyers

The Irons continue to struggle in The League Supreme Division 1

All the news from the 1st leg of The League Supreme Cup

Week 9 - was this the week which decided the first relegation issue from the premiership?

DOOMED?

Wi Could

Be

Rush Green	1	
Westcountry Wanderers	1	

Although a draw against Westcountry Wanderers is nothing to be sniffed at, Dark Destroyers 2-0 win over Egloshayle Park could be enough to send Rush Green down to division one.

Rush Green, realistically needing a win, just edged first half possession, but it was Wanderers, bouyant from their point at Red Machine last week who were first to make the break through. Maximo Remedio gave the visitors the lead after 30 minutes play.

It was a short-lived lead as the Premiership's top marksman (and surely a target for the premiership sides if Green go down) Widar Kirkesaeter levelled matters just 3 minutes later.

Both sides created more in the second half but it was the visitors who had the majority of the play. Both sides could have won it but there was disappointment when news of The Destroyers victory filtered through The Glory Arena.

Oh Dear, What Can The Matter Be?

Where has it all gone wrong for Rush Green this season? With a lot of activity in the transfer market, Rush Green have been big spenders, but are low down in the league. What has been the problem, too many new faces, a leaky defence, their top goal scorer last season only bagging in two goals so far. What ever the problem, with 5 games left, they will be going down fighting!!!

Destroyers Determined To Fight

flying visitors at The Theatre Of Doom and comfortably claimed all 3 points as Egloshayle looked out of sorts.

Anne Robinson got the home side off to a great start after only 27 minutes when she slotted home following a corner. Egloshayle just edged the first half with possession but both sides created very little in a midfield battle.

Tony Andrews put the game beyond any doubt just 4 minutes into the second half as a second corner caused confusion in the Parks defence.

Destroyers win has not only ensured an exciting finish at the bottom of the Premiership but also has put supporters doubts on hold as to whether the Theatre of Doom can become a fortress once more.

The Destroyers Are Back In Business

Ayve on the small coal . . . fill yer boots . . . even as we speak . . . was all that could be said from Destroyers boss Adrian Mitchell.

It Could've Been Worse

Egloshayle player-boss Mitchell emerged from yesterdays disappointing defeat claiming 'it could have been much worse, if Red Machine had won'.

"Im disappointed we not only lost, but didnt really get a sniff and thats hats off to Adrian and The Destroyers. Statistically it doesnt change much, we still have to beat Red Machine next week and in doing so our fate is on our own hands, but what effect this defeat has on us mentally will be interesting. I will see how this season ends before delving in the transfer market." said Mitchell.

"I now have a dilemma and decision to make as to how seriously we take the League Supreme Cup. We have Rising Cock in the 2 legged quarter finals and a potential league decider against Red Machine in between"

Stalemate At White Hot Lane

The Perry Men 0
Red Machine FC 0

It has now been 4 matches since The Red Machine last tasted victory but credit must go to Perrymen for making it very difficult for Couch's side.

There was little to report from the Lane as both sides had their fair share of play and both had chances, albeit only a few, to win the match. However, with Machines closest rivals Egloshayle slipping up this will be seen as a point gained rather than 2 lost at the top with the Machine visiting Egloshayle in next weeks potential title-decider.

Wazzy Frustrate The Deck

The Rising Deck 0
FC Wazzy 0

Although claiming a point on runners-up Deck manager Ian Mitchell will look on this as a golden opportunity missed to close the gap a little more at the top.

The Deck dominated the game from start to finish but with FC Wazzy packing the defence they found it very hard to penetrate. Both sides had little goal opportunity to grab all 3 points and both sides could equally finish 3rd as they can get relegated.

Hounds Furious As Top Three Edge Away

Lewd Lewes FC 0
Hell Hounds 0

Matt Rose's side will be furious at both themselves and at referee Tony Nolan following his sides 0-0 draw at The Dripping Pan.

Nolan, regarded as one of the top referees in the division, controversially disallowed TWO goals in this match, but at least it was one for each side.

Lewes had the better of the match ad thought they had won it just 6 minutes from time when Hubert Lesters breakaway was disallowed for an off the ball incident. Amazingly just 2 minutes later the Hounds had hit the back of the net only for Nolan to once more, disallow the goal. 0-0 it stayed and the result could prove costly as the top 3 won and created a 5 point gap with 5 games remaining.

Ealing Paying The Penalty

Down by the Trent 3
Sexual Ealing FC 1

Down By The Trent kept pace with the divisions leaders as they comfortable disposed of an Ealing side lacking in confidence and guidance.

Bob Crenshaw saw his 4th minute penalty saved for the home side and Ealing player-manager Paul Corrigan repeated the fete 20 minutes later missing from the spot.

Inbetween time Trent had made it 1-0 with Philip Dammers long range effort. Zacharias Barkworth made it 5 for the season when he added a second on the half hour mark and 'Doz' Corrigan made amends for his penalty miss when he pulled a goal back with a header 5 minutes before half-time.

Oscar Ingham made sure of all 3 points for Phil Jory's side when his shot found the target just after the hour.

Gotta Keep This Pressure On....

..was what DBTT manager Phil Jory singing after his sides victory over Sexual Feeling. Jory commented "it was one of our strongest tactical performance of the season and I haven't a clue why our goalkeeper was jam of the snatch considering they only had two attempts! The title race is still looking like a threesome, although Wookie, I'm sure, is still convinved (and happy) to be playing on his own!"

10 Out Of 10 For Windsor

Down Under And Out 5
Dynamo Des 0

Division One hot-shot Ben Windsor claimed the match-ball and made it 10 goals in 9 matches for top-of-the-table DUAO.

Des started well but saw Jared Eatons effort disallowed after 17 minutes, but after that it was all DUAO. Windsor netted his first after 27 minutes heading in the opener. Errol Stephens made it 2-0 after 36 minutes and a direct free-kick right on half-time from Windsor made it 3-0.

Man of the match Joe Teale made it 4-0 with 15 minutes remaining but it was Windsor who will claim the headlines, heading in his sides 5th and his 10th of the season with just 6 minutes remaining.

Courtinas Leave It Late

The Irons 0
Earls Courtinas 2

The scoreline does not give the whole story as Earls Courtinas looked unconvincing against managerless Irons.

Chris' brother Clive Tarrant gave the visitors the lead right on half time in a half where The Irons dominated.

Owens men had to wait until the 89th minute to be sure of the points when Leo Rawcliffe broke away to make sure Courtinas stayed fighting for promotion.

Top Irons defender Kieran Tusken felt his side were unlucky against Corrigan's Ealing side.

DUAO Slaughter Goliath in Cup Match

DUAO played out of their socks yesterday to beat the mighty Reds 1-0 in the second leg and progress to the next round.

Manager Wookie had anticipated threat from the reds midfield and through his genius tactical abilities quashed the risk. Wookie had the following to say " I'm over the moon with my lads, they showed true grit, they were up against a side twice the price of ours and our best player suspended but we held them well. It was a close game and we had a bit of luck on our side, but you take what you can in this game. This result shows those Nancy boys in the Premier League just what we are made of, we'll take anyone on our day!

Normal Service Resumes at "Doom"

"Yes - That's more like it !!" said Destroyers "midfield diamond" Anne Robinson after reading the recent press report emanating from SHITE Hot Lane following last weeks 1-0 victory over the Perrier Men. Robinson - who scored the winning goal added "It's about time teams started to hate coming here again and with our recent new signings adding a touch of steel AND skill to our side we are hoping that service has returned to normal. And whats all this about US being "Dirty". Of course we are! we know it ! but the card count was 3-2 in THEIR favour! That tells its own story, they also had Linekar sent-off in their Cup match this weekend as well!.

Anyway it's a mans game (look at me!) and if you can't take the heat then don't bother turning up! - stay home, wrap yourselves in cotton wool, pour yourselves a warm milk and settle down to Antiques roadshow. And - anyway - when was Rafa Benitez put in charge of them! Why weren't the rest of the League informed!

When asked about the defeat suffered on Sunday in the Cup against Rising Deck, Robinson said that nobody in the team was bothered. "When we had a perfectly good early goal disallowed for a very dubious offside

we knew how the game would go. After the decision the referee said to me "You'll like it...not a lot!!" and we then realised that the man in the middle was none other than Paul Daniels! We performed our own magic after the game though - when we managed to make his head disappear...up his arse!! Anyway - we aren't bothered. We knew where our priorities lay this season and they certainly weren't in the "Willy Wanker" Cup. It's for "Losers"

Next up for a trip to Hell are none other than last years champs Egloshayle Park. "Bring em on! " is the message coming out loud and clear from "Doom" said Robinson. "We look forward to the beautiful sound of fresh bones "snapping like twigs". We have even had to widen the pipes and the U-bends in the visitors changing rooms because of the amount of shit that flies down there before, during and after our games here! And bring your own bog-roll as well please. The amount that we are having to supply is costing the club a small fortune"

"Is it all Over yet....."

.....was the comment of DBTT manager Phil Jory after his sides penalty shoot out victory against Perry Mason. "Obviously I'm delighted" added Jory " as, being the cup holders, we are the hare for the remainder of you dogs! and no doubt that jack russell terrier wookie has his eyes set on the silverware."

No moaning from DUAO on Cup Draw

For once DUAO Manager Wookie had nothing to complain about, but he didn't turn down the chance to slag off a few people in this latest interview "I'm pleased to be drawn against a second rate team like Crude Lewis as it give me a chance to get some play time for my second string team. Although it does make me question if Ford Cortina's threw the last match to protect their league chance?"

It's also great to see DDBT beat MC Fletch in a sound off at the City, those boys knocked seven bells out of each other – what a match! But what's most pleasing is to see that the bag of puss that calls himself League Administrator, Craig "I can't get my tiny wiener

up" Mitchel hasn't got an easy cup ride.

Yea I'm still basking in my own glory and technical genius at eliminating the Drop Dead Machine from the Cup. Will the Reds confidence plummeting now leaving MC Fletch's Sherry Men the chance to salvaging something from their next game? Who knows or cares – Long live the King - Long live the Wooksta!

This is snow joke

"Had a text today from the eldest Mitchell famous five brothers, Keef, who said that his youngest brother (Titch Mitch) had text him to say he had 7 inches this very morning - what a cock that Saint is!"

It's snow problem

While roads and schools are closing all around, FC Wazzy boss Paul Warren tells us that he expects this week's match against magicIAN's 'Deck to go ahead as planned. "I have spoken to my head groundsman, Mo Milorn, and he is adamant that if the 'Deck's groundsman follows his tips the pitch will be ready." said optimistic Paul." He tells me, all that is needed is a kettle of hot water which can be used to mark out the lines. If this is not enough, He needs to pour petrol along the lines then light it just before kick off. This has the added bonus of doubling as extra floodlights."

It also appears that paul has a further trick up his sleeve by supplying each of his players with flouresant yellow and orange boots which he hopes will dazzle the opposition.

Wookie looks forward to threesome

3 back to back matches against hub cap steeling, shell suit wearing Fran Davies and the scallies couldn't be better for us says DUAO Manager Wookie. "it's just as well because I've only just realised that my guys won't improve if they don't have 100% match experience - so I need to get my second string out for a few games!!!"

In The Press This Week

I'm not going to risk my league campaign for this willy wally Cup, so I'll be watching closely for any sign of player fatigue - it's been a long and hard fought campaign and we're still sat in the driving seat of LS Division 1 but it's far from over. Another 3 points against Dynamo on Thursday strengthens our position at the top, we won't be taking our foot off the accelerator but the Cup is not a priority for us. We've got a few tough matches before the close of season and I need my boys in tip top form. Although it's great to see Ben Windsor back on form after his mid season goal drought

Fletch goes walkabout

Once again, Perry Men striker and talisman Gary Lineker spoke to the press as McFletch was no where to be seen. 'We've got to be happy with a point against bread machine FC - the team were decimated after the cup game against DBTT and when Fletch deserted his post claiming he had an important delivery to take care of we were left floundering like a rudderless ship in the high seas' The inside gossip is that McFletch will soon be back at the helm looking to get the Perry Men back to winning ways!

Ossie Ardiles tip of the week

'Always keep a comb in your back pocket in case you need to look nice for the ladies'

Ossie Ardiles tip of the week is brought to you in association with the Argentinian Tourist board.

Bring on the Brandon! (Mark, not Pickle)

'We'll meet again i know where i know when. 3pm down the park" said an upbeat Rising Deck Player/Manager/Master of Disguise Ian Mitchell from his secret nightclub in North Cornwall.

'Magic', surrounded by Buxom Beauties hoping to bed the legend, contemplated this afternoons cup tie over a large glass of Courvosier and kindly gave us his thoughts. "If these ladies play their cards right i might let them have their dreams by letting them touch me" . When told we meant we'd like his thoughts on the match he said "We hear that we've been called The Rising 'Cock' as well as The Rising 'Dick' of late. Either way we know that 'Egg Less Male Prick F.C.K' doesn't like it up em and we are more than ready to don our White Gloves and feather his cheeks this afternoon.

Our privileged 2 minutes in his presence ended then as we closed the door of his lounge to the sound of a zip being undone followed by choking and gagging noises.

Sincere Wishes

Red Machine FC manager, Rob Couch, would like to wish all the managers who are involved in the 2nd round of the cup today, the best of luck!

"There are no hard feelings that I got knocked out of the cup in the first round....honestly. I just hope that The Rising Dick slaughters Egg-Lost-They-Way FC, with hopefully Paul Rowe picking up a booking today, and therefore will miss the TOP OF THE TABLE clash this week."

Asked how he is preparing his side for the trip from the south coast, to Egloshayle Park, Rob Couch commented.

"I'm giving all my players the day off today, they need cheering up, so I have organised a trip for them all to watch one of the cup games today"

Chieftan challenges "Park" Destroyers

Dark Destroyers boss "The Chieftan" has challenged his team to repeat their heroics against last years champs Egloshayle Park when his team travels to the "Morphium" to face "Riding Dick" this week. The "Doom-Merchants" produced their best performance of the season so far to beat the high-flying Park and the boss is calling for a

repeat.

Speaking from the Theatre of Doom sipping aunt-blood and chewing his pit-bulls ears he defiantly announced "Six points from our last two games has given the club a tremendous lift and hauled us right back into the frame. Last weeks result was superb because they (Park) are the champs and are therefore the team to beat. But we are totally aware that the result will mean nothing if we do not build on it in the remaining games.

We now have three away games in succession!! but it gives us the chance to start dismantling teams on their own turf and we hope to start that against "Surprising Speck" this week. We have been studying their games recently and notice that they have struggled to score goals in the league (only one in their last three home games) so we know they have problems of their own. Amazingly - although they are third in the league - they are only three points above us so we know that - come Thursday - there could be a huge shift-around in the Premiership table, Whatever the result though I am looking forward to the after-match pasty-supper (followed by a large glass of Bordeaux or Claret rounded off with a fine selection of Cornish cheeses) and a game of "Dark Castle" (with Kosack and red-hot poker included) with magicmitch".

Park Prepare For Machine

Egloshayle are full-strength for their potential title-decider against Red Machine on Thursday and Egloshayle boss Mitchell has once again insisted that his side 'stand up and be counted'. "We have 3 days of preparation for a huge game on Thursday, of course it is possible for the losers to still lift the trophy but Thursdays match will go a huge way to deciding it. People have told me the pressure is all on Red Machine, topping the league at present but I disagree. We have a 100% record at Egloshayle Road in both league and cup and Machine have not won in about 4 outings so I feel we are the inform side, therefore expected to win." Mitchell mused.

"I remember in the premiership the famous SAS Blackburn partnership that brought them the title. This season Machine have B&B, Bolam and Bonham have a great understanding and they will be a severe test for our defence. I will see how the squad trains in the next 3 days before picking my starting 11." he concluded.

The League Supreme Cup

Divisions Kept Apart In Cup Draw

The League Supreme Cup has thrown up a very interesting Quarter-Final draw. The 4 premierships sides face each other, meaning there will be guaranteed 2 representatives from both divisions in the Semis.

Red Machine conquerors DUAO face Lewd Lewes (surprisingly no cries of draw-fixing this time around). Hell Hounds, who face a late surge for promotion may have to make do with cup silverware this season but will have to overcome current holders DBTT.

WestCountry Wanderers will face FC Wazzy with both teams looking to bring home their first pieces of silverware this season but could have one eye on avoiding relegation (remember DBBT won the cup AND went down last season). Also, with Red Machine out the 2 favourites have been drawn together, Egloshayle Park play Rising Deck, a tie, both managers will relish, but also fear.

Quarter Final 1st Leg Results

Hell Hounds	0 - 1 (0 - 1)	Down by the Trent
Egloshayle Park FC	1 - 0 (1 - 0)	The Rising Deck
WestcountryWanderers	0 - 0 (0 - 0)	FC Wazzy
Down Under And Out	3 - 0 (1 - 0)	Lewd Lewes FC

Cup holders Down By The Trent edged past Hell Hounds with a valuable 1-0 away win the 1st leg of the cup. Ronnie Bergman headed in Derren Meltons corner on 9 minutes to give the holders a 1-0 lead and thats how it stayed. Trent will now be favourites to continue to the semi's and whether Bergman's 51st minute penalty miss remains crucial, only time will tell.

Rising Deck came to Egloshayle Road full of confidence and belief and will be bewildered as to how this match escaped them. Home keeper Banshee Hewitt was Egloshayles man-of-the-match as Deck hit the woodwork on numerous occasions. It was youngsters Alan Shearers 19th minute header which gave Park the 1-0 win. Again, whether that is enough to take them through after a visit to the Orpheum only time will tell. Both sides will be confident of progression.

Im Proud Of All Of Them

Was the comment made by Egloshayle Boss Mitchell as his side gained a 1-0 first leg cup advantage over Rising Concerns today.

"I made 5 changes, admittedly with half a mind on Thursdays biggie, but I would NOT belittle this magnificent cup with its 1-year long history and I would NOT pick a side that I didnt think could handle the situation. We had a very young average age out there today and they did me, themselves and the club proud. We can now go into Thursdays potential league decider against Brown Bread Machine full-strength" said Mitchell.

"They (Cock) dominated the match but its goals that count, we will see if its enough to progress to the semi's." the big-cocked manager concluded.

Westcountry Wanderers just edged this match on chances and possession and, therefore, be the most disappointed with the 0-0 scoreline. Paul Warrens side soaked up the pressure and were well organised with Terence Crooks orchestrating the midfield battle. FC Wazzy will be confident of going through to the Semi's.

There was no problem for high-flying Down Under And Out at Palmy North where a 3-0 scoreline should surely be enough to carry Wookies side through to the last 4. Steven Simons scored for the homeside after 25 minutes to make it 1-0 at the break.

Top marksman Ben Windsor made it 2-0 just 2 minutes into the second half with Sam Aiston wrapping up the match, and probably the tie 6 minutes from time heading in a Joe Teale cross.

My boys couldn't hit a barn door!

That was the comment from Wookie as he stormed off the pitch after DUAO comfortable 3-0 Cup win against Rude Lewis. " sure we had the majority of possession and they created few chances, but we can't afford to miss the chances we did. My boys have got the next game to prove to me they are worth keeping or I'll sack the lot of them!

Well, there can only be one game this week and thats the top-of-the-table potential championship decider between current champions Egloshayle and current leaders Red Machine. It is now do or die for Matt Rose's Hell Hounds. There is now daylight separating 3rd and 4th. To bridge that gap the Hounds MUST catch the top 3 and what better way that to play the top 3. What looked like a formality pre-season has now turned into a task Jack Bauer would not relish as his side looks to make home advantage count against a promotion seeking Courtinas.
