# Town Grab First Win Against Park

## Premiership Round-Up

**Week 6 sees Temple Town grab their first win of the season against Park, which leaves Essex the only side in the league without a win. The Rising Deck continue their 100% start to the season and DUAO extend their lead at the top.**

### Town Grab First Win Against Park

 Temple Town 3

 Egloshayle Park FC 1

**Possession: 60 - 40 (61-39)**

**Chances: 13 - 2 (6-2)**

**Home - Man Of The Match - Away  
Rowley McCafferty Paul Chapman**

#### *At Long Last*

Possession: 60 - 40 (61-39)

Chances: 13 - 2 (6-2)

Egg shell didn't turn up, the little gay ginger whingers. At last three points in the bag, now undefeated for the grand number of four games. But this will end Sunday, as usual we are drawn DUAO in the cup, every year for the last three!

#### *Temple Town Texts*

The Temple Town manager who is very busy looking after a recent addition to the Hargreaves family, and hence another BASIL, Blackpool Away Supporter in London, received texts this afternoon reading;

'CUNT'. Just accept it Egg Shell your team are shit and are a has been.

Sack the manager was heard from the two away supporters at TT today, and with that kind of support, no wonder your team are lousy!

#### *Relegation Fears Are Very Real*

Egloshayle Park hit an all time low today when they were well and truly beaten

by the team who have not won a league game until today. Park boss got his tactics and estimations all wrong as they were trounced 3-1 by the Premierships bottom side Temple Town.

"Through gritted teeth I congratulate Hargreaves, his team won fair and square but I need to concentrate on the Park camp and our start to season 8 is far from satisfactory" blasted the manager. "I take 90% of the blame, I under-estimated them and thought that because they were bottom we could attack away from home with an offensive line-up and we paid the price. Having said that the players need to shoulder some of the blame for the other matches. What has started off as a bad start to the campaign has now turned into a real struggle to stay in top flight football. I will go back to a settled side and back to basics. When morale is low I am foolish to try new players, new tactics and constant rotation."

"As founders of this league if this club thinks it has a god-given right to stay in the Premiership then we are in for a very rude awakening. Its not too late to change now, but change we MUST. This club has never been so low, we are second from bottom and not looking like a club to pull out of it. I will not be fielding youngsters in the cup as my so-called best eleven need to prove themselves." concluded Mitchell.

The club are said to be furious at the manager who has a squad capable of a top two finish, but are languishing in the depths of the Premiership. Rumours have it that the next 2 weeks will decide the managers fate.

### Raiders Latest Scalp For DUAO

 Down Under And Out 4

 Irish Raiders 1

**Possession: 61 - 39 (57-43)**

**Chances: 11 - 1 (6-1)**

**Home - Man Of The Match - Away  
Julian Stafne Hugo Torres**

#### *No Joy for Irish at Wookie Hole*

The Irish stunned home supporters at Wookie Hole when they scored from a well worked headed cross within 4 minutes of the kick-off. However DUAO soon found their feet and were 2-1 up by the half time whistle. In the second half, DUAO dominated play and scored two more to wrap up the game with a comfortable 4-1 win.

The ever modest Wookie was on hand for a few pitch side comments.

"A stunning performance by the lads. We were up against a formidable back four today, so to score 4 goals just goes to show the class of our strike force. We've still got a long way to go until we can lay claim to our 3rd successive title, but we're doing our chances no harm at present."

## Premiership Round-Up

### Mangatainoka Humiliate 10-Man Trent

 Down By The Trent 0

 Mangatainoka FC 3

Possession: 44 - 56 (40-60)

Chances: 0 - 10 (0-6)

Home - Man Of The Match - Away

Zacharias Barkworth Gerardo Raposo

### Wazza Tactics Backfire

DBTT manager Phil Jory was left ruing his decision to use Wazza tactics (eg don't prepare the team) prior to his sides humiliation to Mag\*\*\*\*\*. Not one chance was created by Trent, in fact we were a complete pile of wank - even Titch Mitch must be creaming his Y fronts at the thought of playing us next week.

### Red Machine Move To Second

 Red Machine 2

 The Perry Men 0

Possession: 53 - 47 (59-41)

Chances: 5 - 4 (2-2)

Home - Man Of The Match - Away

Neal Stamford Peter Baker

### The League Supreme Cup

#### The League Supreme Cup - Quarter-Finals 1st Leg

Mangatainoka FC	2 - 0 (0 - 0)	Super Blues
Egloshayle Park FC	1 - 0 (1 - 0)	The Perry Men
WestcountryWanderers	0 - 1 (0 - 1)	Irish Raiders
Down Under And Out	1 - 3 (1 - 1)	Temple Town

Manager Wookie was asked to explain DUAO's slump in performance.

"It's no secret that I've always treated the Cup as a training run for my second string... and this strategy won't be reconsidered. As a manager you're responsible to get the most DV possible for your younger players and I won't jeopardise our league campaign for a Mickey Mouse cup run. However some tough questions still need to be asked and any weak links removed."

Does this mean DUAO won't be attempting to overturn the first leg defeat quipped the reporter

"Congratulations to Hargreaves, it's been some time since we've tasted defeat on our home turf. But I didn't say we won't be competing for the Cup. TT had better not party too hard, because they'll have to be at their best if they want to proceed to the next round.

### DUAO Smashed At Home

TT fielded a full strength team against a weaker, 2n team of DUAO and truly dispatched them, more possession more shots and more goals. Now DUAO have an uphill battle against TT to stay in the tournament.

At long last TT seem to be showing some form and who knows they could win a few games and avoid relegation.

### TT First

Ever faithful Hargreaves was first to the press board this afternoon, signalling that rarest of rare events...A TT win.

DUAO entertained TT in the first leg of the cup but looked a shadow of their former selves as they struggled to hold possession and looked weaker in every department against a full strength TT side. Although DUAO got off to an early lead, TT equalised before half time and their second half pressure finally lead to two late goals.

# Six Of The Best

Deck applaud their fans after six wins out of six signals intent for a swift return to the Premiership

Wellington Wanderers

1

The Rising Deck

3

Possession: 52 - 48 (58-42)

Chances: 4 - 4 (3-0)

Home - Man Of The Match - Away

Nicholas Kavanaugh Robert Houdin

### Wellington Well Beaten

Wellington Wanderers were well beaten by league leaders The Rising Deck after taking a 1 goal lead.

Esko Jaamaa scored early in the second half, but the team were not prepared for Rising Decks team spirit!

Conceding the goal seemed to motivate them into a sensational comeback. Once Derren Brown headed in the second goal for Rising Deck there was only one winner in this entertaining match, unfortunately for Wellington it wasn't them

### Roll up Roll up...my massive foreskin!

The Rising Deck got a fright this afternoon (no, not when i looked into my bulging pant to see a mere 8" cock, before realising it was cold and flacid and folded in half) but going one down to Wellington Wanderers and not having a shot at all in the first half.

A right Royal Bollocking at half time changed our performance and we eventually won 3-1.

I obviously couldn't dream of winning my opening 6 games but my Tomfuckery is paying off instaed of coughing up for you know what!

By the way congrats go to Simon H and wife for their new arrival!

One joke for you Cockney C\*\*ts , sorry I mean you London Lads

Did you hear about the guy who tried to use his Atlas to get on the tube? He thought the world was his Oyster. MM ;)

### All Whites Set Up Week 7 Showdown

 The Dark Destroyers 2

 All Whites 3

Possession: 52 - 48 (53-47)

Chances: 3 - 8 (0-3)

Home - Man Of The Match - Away  
Arsenio Casalini Dominic Hayward

#### *Dark Destroyers are All White*

A big three two away victory for the All Whites has cemented their position in the promotion spots. A Gerard Holdsworth penalty took the the score to three nil before the Destroyers finished strongly. The All Whites coach was understandably delighted to bounce back from the dissapointment of the cup.

### Wazzy's Resurgence Continues

 FC Wazzy 2

 Super Blues 1

Possession: 55 - 45 (51-49)

Chances: 11 - 6 (4-3)

Home - Man Of The Match - Away  
Benedict Bayley Edgar Wood

#### *Bag of Shite*

Complete shit ranted TB after this crap effort against a team the Blues had to get 3 points off. Now looks like a battle to avoid the wooden spoon this year and puts TB under pressure to hold on to his job.

A win is a must now in the next two games

### Jansen's 89th Minute Winner

 Essex Wanderers 2

 Westcountry Wanderers 3

Possession: 56 - 44 (56-44)

Chances: 6 - 10 (4-5)

Home - Man Of The Match - Away

# Couching Ability

Red Machine FC may not have the strongest side in the league. But as hardened campaigners in LS, they are always there about at the end of the season, challenging for the title. They do possess the finest coach in Couch.

You can't argue with the stats.....

<http://www.xperteleven.com/vipStatsTeam.aspx?Lid=155407&Sel=M&AN&Lnr=1&Level=0&Pos=0&Desc=1&dh=3>

"Not even a challenge of saving a team from relegation, would I leave this club. Even if the offer was almost irresistible. The press may read into that as they wish. Not wanting to name any names. My agent has had an offer from a club in the league. Who are flirting with relegation, for the first time in their history, wanting my services."

Shame you can't manage for toffee! - DUAO

top point / goal scorer Dave Grohl has handed in a transfer request & will be leaving the club shortly. After 120 odd games & 25 goals it will be a huge void to full, we will wait till the end of the season to find a replacement. Dave hasn't settled after the clubs move to nz & will be heading back to the uk to see out the twilight of his carrer. We have managed to sign a highly rated (not as high as the agent told me) defender in Eugenio Villegas. This has also prompted the imminent departure of Rory Eastbrook. So that will be a total of 97 years departing the club this season. lets hope the new breed of players can breed success.

Thought 8M was a bit much for a 6 skill 20 yo! - All Whites

yeah was supposed to be a 7 skiller, would take that for 8m, not happy about him only being 6 at all - Mangatainoka

## Egg Shell Cheating Bastard

2011-02-27 Egloshayle Park FC Colin Hartigan 18 GK Junior 6 rated.

How the hell does this happen when the rest of us are given threes or fours rated players. egg Shell gets a six rated from our juniors?

What is going on here? I know his team are shit and need every bit of help they can get, but how come this happens?

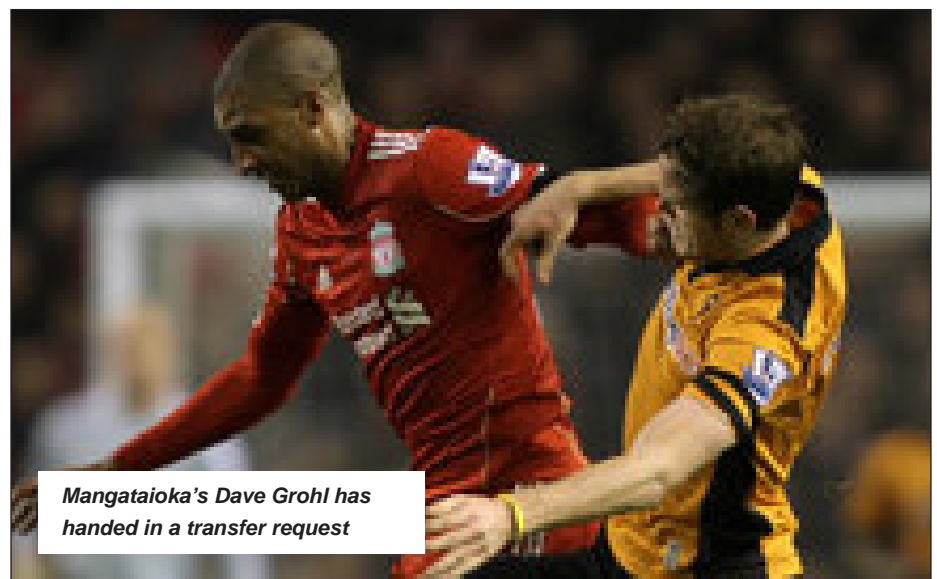

Want a tissue Simon? mop up those ginger tears? wipe the yellow shit from your ass? a bib? shoulder to cry on? awwwwwwwww bubba wubbas :\*( :\*( (TT and Blackpool to go down in same season? There IS a God!) :) :D - Egloshayle

## Two Wins And Two Departures

Mangi manager Aotearoa is pleased with their 2 latest victories, one in league & other in the cup. but with a double header against the league leaders in the league & a away game against the blues in the cup it will be the next 3 games which will define my season.

On a sad note, our only club legend &

Mangataioka's Dave Grohl has handed in a transfer request

## Week 5: Home to Super Blues

Well 4 wins out of 4, does that mean my Magic Tactics are giving my side the edge in games this season and against what we consider opponents Danger Men??? No harm done yet so I think it's only wise to continue.

Week 5 brought the visit of Darren Rice's Super Blues and having had a good look at his squad I singled out our special treatment for Slippery Striker Elliot Horne. Firstly we sent one of our Club's spies 'Haywood Jablowme and his date for the night/our Club Chauffeur Eileen Ulick' to a Valentine's Meal that was being hosted by The All Whites at their Restaurant at The Portman Fortress a couple of week prior to our fixture.

Having cupped the Maitre D's balls upon arrival Eileen managed to secure a table next to Elliot and his fiancé and proceeded to enjoy the evening whilst spying and eavesdropping throughout. A glance at the Valentines Card that was given by the Blues striker revealed a dirty side to the lad that shocked our Stealth Duo. Thanks to the great zoom on their phones they managed to capture this handwritten poem:

*"Roses are Red,  
So is Red Glitter.  
I'm tired of your Vag  
let's lube up your Shitter."*

Naturally appalled by these words of potty prose we knew adding a sweet flavoured potion to Elliot's fiancé's natural choice of desert 'A long chocolate covered banana' would lead to any meeting of private parts suggested by the dirty ditty would transfer to Elliot's Horne! Having a two week delay the potion would hopefully appear early in the game against us. So onto Match Day and closely watching Elliot Horne warm up there seemed to be

*Super Blue's Manager 'Darren Rice' on the club's valentines evening. His date thinks a grain of Pilau Rice has dropped into his lap...easy mistake to think that!!!!*

no effects yet of our 'slippery potion' as he waved to his fluff in the Grandstand (She had requested a very soft cushion from our staff saying her seat was cold though we know it was surely a welcome comfort for her 'Mud Muscle'). Thankfully though only 10 minutes into the game Elliot's plates of meat began their rapid transformation from useful footballing necessities to a pair of 'Musa balbisiana' yes...banana skins!!!!

So as you can see Elliot's love of the Fudge Flume led to him having 80 pretty ineffective minutes against us and we comfortably won the game 2-0 to maintain our 100% winning start to the campaign.

Having been invited to my office after the match, Elliot's fiancé 'Lou Skunt' enjoyed several glasses of Courvoisier and, having naturally fallen for my charm, one thing led to another.

I can now confirm that her bullet wound looks more like a tea towel holder than the last doughnut in the shop window.

# No. 11

Its a new season so we have the luxury of starting the 2010 sexiest women in the world as voted for by FHM

## #11 Hayden Panettiere

As the invincible cheerleader Claire Bennet in Heroes we watched her grow out of her uniform and into a slightly more grown-up leather jacket and a marginally villainous role. Then Heroes went rubbish, but not Panettiere. As the 20-year-old revealed herself and an incredible bikini body, we looked on in awe as she heroically protested against the slaughter of some squeaky dolphins while straddling a surfboard and looking perfectly tanned, not all blotchy and red with 'jerk' written on her back in sun cream like us.
